

Dr. Toni Hatton, The Attractive Thinker is an Identity Coach and Get-to-the-Root Specialist, Vision/Mindset Expert, Vocal Artist, Speaker, Certified Health Coach, Author of *Don't Be Afraid: He's Preparing You!* and *The Attractive Thinker: It's Not What You're Going Through, But How You're Viewing It*, Creator of **The Attractive Thinker Generation global movement** and the online course, *Think Attractively/Identity Shift: The One Thing That Changes Everything*. She has written and recorded several songs which are streaming on your favorite music platforms, and was the host of **The Attractive Thinker Radio Program** for Radio One in Baltimore! Dr. Toni is the recipient of a Governor's Citation and an Honorary Doctorate Degree for the transformation that she provides in the community! A defining moment that could have

dimmed her light actually strengthened her insight! As a result of showing her son how to see without eyes, it enabled her to show people with eyes how to see because his darkness became her light! Dr. Toni provides mental tools that support clarity and bold action steps for new, aspiring, first-generation entrepreneurs, and dreamers who are ready for change! These tools put an end to procrastination, uncertainty, and fear, while developing confidence and business courage! Her clients are coming alive again as they break free from mental barriers, publish their long-awaited books, and launch new business ideas! Dr. Toni supports her clients through private and group coaching programs where to date her coaching services have prevented several suicides and ignited dormant dreams! When Attractive Thinkers come into her presence the light comes on, they get clear, experience a calming peace, release stress, embrace their creativity, develop their business ideas, get renewed hope, and leave on FIRE ready to create, live, and leave a legacy that speaks when they no longer can! Using her ability to find things that are lost and fix things that are broken, Dr. Toni will extract the gems from your journey so that you discover how to use what you already have to launch your business forward! Most people don't know that as a child, Dr. Toni stuck a bobby pin in an electrical outlet and was thrown across the room, turned blue while choking on oatmeal as an infant, and was dragged along the highway while holding onto a car door handle when she was about 7 years old! She believes that if it has to hurt, it has to count! Listen... if you're absolutely clear that something has to change, and you're tired of seeing the years come and go with nothing changing but your age, then get ready to see beyond what you're looking at because you're too great to reduce your life to a current circumstance! Visit www.theattractivethinker.guru and access your FREE audio, **"Turn Your Problems into Your Solutions!"** To book Dr. Toni to speak or sing at your **upcoming event**, contact the office at info@theattractivethinker.guru. Her life's work is to make your life better and her aim is to heal one billion + minds! As Dr. Toni says, *"It's not what you're going through, but how you're viewing it! Think, Attractively!"*
